Thanks for filling out this form: [GPS Reflection on AI Literacy: Ethics, Policies, and Best Practices](#)

Here's what was received.

GPS Reflection on AI Literacy: *Ethics, Policies, and Best Practices*

Please answer the following questions about your experience in the GPS class on AI Literacy: Ethics, Politics and Best Practices. Thank you for your participation!

Your email (snordberg29@lawrenceville.org) was recorded when you submitted this form.

1. Based on your experience in today's session, what some of the key benefits and challenges of Artificial Intelligence?

Artificial Intelligence can be helpful for using algorithms to help us create solutions to complicated problems. However, it can become a problem due to its lack of safeguards.

2. What have you learned about AI Literacy: Ethics, Policies, and Best Practices that was new or that surprised you?

AI is used by the Lawrenceville student AI council to improve our community.

3. What questions do you still have about AI at Lawrenceville or what would you like to know more about in a future class?

How should AI be ethically used?

4. Any other feedback to share?
